

Mad Lib(rary)

I love going to the Powassan library! Last month, I checked out a book called The _____ (noun) and the Great _____ (colour) _____ (animal). It was so _____ (adjective) that I ran all the way home to show _____ (family member). We laughed so hard at the picture of the _____ (animal). I loved the story so much, that I asked Jordan if she could read it for Toddler Tales next week!

When I returned the book, I asked Jen for another silly story. She gave me _____ (number) books that she thought I'd really love! My favourite was the one about the _____ (adjective) _____ (vegetable) named _____ (your grandma's name).

My library doesn't just have books - they run lots of fun programs too! One day at Saturday Series, we made a(n) _____ (adjective) craft. Mine was _____ (colour) and _____ (another colour) and smelled like _____ (my favourite food).

I miss my friends at the library, and I can't wait until we can see each other again! Until then, I'm going to keep busy by practicing my _____ (hobby) and spending time with my family at home.
