BOOKS with Chris Jull

Some authors seem to be immortal, their work continues after death. Here are some examples:

- Vince Flynn died in 2013. Kyle Mills has very successfully continued with the character Mitch Rapp.
- Robert B. Parker died in 2010. His several characters are continued by a group of authors who are successful in their own right. They are Ace Atkins, Reed Farrel Colman and Mike Lupica.
- Stieg Larsson died in 2004. The character Lisbeth Salander, (The Girl Who...), has been continued by David Lagercrantz, who is also a successful author.

The Library has many of these immortals and lots of work by Ace Atkins and David Lagercrantz .
